

# Kushaiah Felisilda

Experienced Film and Video Editor with over 10+ of experience delivering high quality content across diverse industries, including corporate, entertainment, education, and digital media. Skilled in post-production, project management, and collaboration, with a proven track record of consistently meeting tight deadlines across various media formats and creative problem-solving.

## Experience

### TechnologyAdvice | Video Content Editor

March 2024 - Present

- Post-production for engaging and informative video content for webinars, social media, and internal communications.
- Collaborate with cross-functional teams on sponsored videos, partnerships, and social media content to ensure brand consistency and high quality output across all TechnologyAdvice brands.
- Manage project pipelines by scheduling, tracking, and prioritizing incoming and upcoming video projects to ensure smooth production workflows.

### fewStones | Video Editor

Aug 2022 - Present

- Edited branded video content for social media, marketing campaigns, and organizations across various industries—handling scripting, storyboarding, color correction, and sound mixing.
- Collaborated with creative teams on both scripted and unscripted projects; managed assets and workflows to ensure consistent branding and high-quality deliverables.

### Performance Excellence and Recovery Consulting | Video Editor

October 2020 - July 2021

- Edited talking head videos, improved audio quality, and created custom thumbnails for a performance consulting firm
- Contributing to the growth of Train with PERC's YouTube channel through consistent, engaging content while working both independently and collaboratively.

### Integrative Psychiatry Institute | Video Editor

March 2020 - July 2022

- Edited and produced mental health videos for promotional purposes on company websites and on social media platforms, including courses, webinars, and conferences.
- Maintained a consistent brand image and tone throughout all video including their clinic, Integrative Psychiatry Center.
